The Company secretary informs the meeting attendees there were 3,213 shareholders, who were entitled to attend the Extraordinary General Meeting of Shareholders No.1/2024 at the registration record date of April 17, 2024, counting 328,000,000 shares. On the beginning of the meeting at 10:00 a.m., there were 4 shareholders attending the meeting in person, representing a total of 600,000 shares, and 28 shareholders attending by proxy, representing a total of 241,320,340 shares. Thus, the total number of attendees was 32, representing a total of 241,920,340 shares, which was 73.7562% of the total paid-up shares. This constitutes a quorum according to the law and the company's regulations, specifically Article 39, which stipulates that a quorum for a shareholders' meeting must consist of no fewer than 25 shareholders or at least half of the total number of shareholders, and the total shares must be no less than one-third of the total issued shares.

The company secretary then invited the chairman to start the meeting.

Mr. Ariyawich Ek-Ularnpun, the Chairman of the Board of Directors, presides over the meeting as the "Chairman." He welcomes the shareholders and officially opens the meeting. He delegates the company secretary to continue with the proceedings.

The company secretary explained to the meeting the important procedures for the meeting and procedures for questioning and voting at today's meeting are as follows:

Asking Questions

Submitting recommendations or questions during the meeting for E-EGM participants attendees must state their full name and indicate whether they are a shareholder attending in person or a proxy before submitting any recommendations or questions. The Company has provided the following channels for submitting recommendations and questions during the meeting:

1. Chat Q&A: Participants can submit their recommendations and questions through the text chat system. If shareholders wish to ask questions through the Chat system, they can do so as follows:

1. Press the "Chat" button.
 2. Once you press the "Chat" button, a toolbox will appear. You can then type your question in the text box provided.
 3. Once you've finished typing, press the "Enter" key to send your question.
2. Voice communication channel: Participants can engage in voice communication by raising their hand and activating the microphone on their device. After the system controller invites you to speak, please ensure to raise your hand, and kindly turn off your microphone after speaking each time. (Additional details can be found in the meeting participation guide sent to your email.) Shareholders can raise their hand to ask questions by following these steps:
1. Press the "Reaction" button.
 2. Press the "Raise Hand" button, indicated by the hand icon next to the participant's name, and proceed to ask your question.
 3. Once you have finished asking your question, press the "Lower Hand" button to put your hand down.

Voting

1. In terms of voting, it should be in accordance with the regulations and laws of the public company limited. Each vote shall be counted as one share, with each share having one vote. Therefore, each shareholder will have votes equal to the number of shares held or delegated.
2. A shareholder is entitled to cast a vote indicating agreement, disagreement, or abstention. However, each shareholder is only entitled to choose one of these options. No shareholder has any special right to vote on any agenda.
3. Shareholders who have delegated their voting rights through a proxy and have authorized them to participate in the meeting and vote according to their wishes, the Company has recorded the votes of agree, disagree, or abstain based on the shareholder's preferences. These votes have been collectively recorded in the registry for voting on the respective agenda items.

Voting procedure

Shareholders should press the "E-Voting" button to cast their votes for each agenda item. The procedure for using E-Voting is as follows:

1. Participants can choose to vote "Agree," "Disagree," or "Abstain" for each agenda item. If no vote is cast for any agenda item, the system will automatically count the vote as "Agree" (using a method of counting votes by defaulting to agree).
2. After selecting the vote, a small window will pop-up asking to confirm the vote; click "OK" If the meeting attendees wish to change their votes, they can do so by clicking the vote button again.
3. If participants wish to change their vote, they can do so by selecting a new vote option again.
4. When you have finished voting, please return to E-meeting (Zoom) window to continue viewing the visual and audio of the meeting. The meeting administrator will collect all the votes from the voting system and show the vote counting results in E-meeting.
5. Once the voting has closed, participants will no longer be able to cast or change their vote.

After that, the floor was opened for participants to ask questions regarding the guidelines, procedures for voting, and the process for questioning during the meeting.

When no shareholders expressed any questions regarding the guidelines, procedures for voting, or the process for questioning during the meeting, to ensure transparency and adherence to good practices for shareholders' meetings, the Company appointed a legal advisor to oversee the meeting to ensure it was conducted in compliance with the law and the Company's regulations.

Subsequently, the company secretary invited the Chairman to commence the meeting.

The Chairman requested the meeting to consider the various agenda items and asked the company secretary to proceed with conducting the meeting.

Start Meeting

By adding to the objectives of that company, The Company shall amend Section 3 of the memorandum of association (objectives) of the company to be consistent with the above amendments to the Company's objectives as follows:

"Section 3: The Company's objectives are 70 sections, details of which are attached to Form Bor Mor Jor 002."

The Board of Directors deems it appropriate to add The Company's objectives and articles of association. It is also deemed appropriate to propose to the shareholders' meeting for approval of the additional objectives 61-70, including The Company's articles of association. Additionally, Section 3 (objectives) it is proposed that individuals appointed by the board of directors, authorized directors, or CEO act as the persons responsible for registering the amendments and supplements to The Company's objectives and articles of association with the Department of Business Development, Ministry of Commerce. These individuals are empowered to amend and supplement any wording or take any action as instructed by the registrar.

Following that, the Chairman requested the meeting to deliberate.

The Chairman also encouraged attendees to raise any questions or concerns they might have.

The company secretary then informed the meeting that if shareholders wished to ask questions through the Chat system or engage in voice communication, they could do so by the steps mentioned earlier. If there are no questions from shareholders, the Chairman then requests the meeting to proceed with voting on the agenda item. For this item to be approved, it must receive a vote of no less than three-fourths (3/4) of the total number of votes of shareholders by those who came to the meeting and have the right to vote. The Chairman delegates the company secretary to count and announce the voting results to the meeting.

The company secretary then informs the meeting that shareholders should cast their votes by pressing the "E-Voting" button and follow the procedure as mentioned earlier.

Resolution the meeting has approved the addition to the memorandum of association to Section 3 of the company's Articles of Association, specifically by adding 10 Sections are 61–70 Section, totalling 70 sections in accordance with the following votes:
